RRJSHS strives to keep the cost of school supplies to a minimum while ensuring all students are adequately prepared for jr. high. The Chieftain Success Package will cover basic needs for all students. All junior high students will use the same consistent organizational system. Chieftain Success Supplies will be available through RRJSHS and distributed to students on the first day of school.

If you would like to Pay it Forward and pay for a students scholarship as well that would be great and the school will match any contributions, so a donation of \$10 will help 1 student have supplies.

**\*Please note- Cell phones are not allowed in the classrooms. Students must practice “Off and Away” during instructional time.**
