

**2021/2022
ADVERSE WEATHER CONDITIONS**

**Straight Line Routes For:
Rogue River Jr/Sr High, Rogue River East,
Rogue River West**

In the event of adverse weather conditions parents are advised to tune in to Radio Stations KRWQ, KAJQ, KLDR, KBOY and TV Stations KOBI (5), KDRV (12), KTVL (10) or the Rogue River School District Web Page for information on school bus schedules.

Sometimes weather conditions leave some roads blocked or unsafe to travel but school is still being held. Under these circumstances "straight line routes" will be run. This is the information you will get on the web page or radio/TV stations.

When straight line routes are run the roads affected are listed below.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.
